**“I’m fucking insatiable when it comes to sex. I want it every way you can do it!”**

**BY REVA MOORE**

**AGE:**  
**42**

**OCCUPATION:**  
**Executive Secretary**

**FROM:**  
**San Diego, California**

**OVER 40:** Give me three or four words that describe your personality.

**JODIE:** I am reliable, intuitive, always happy, and flirtatious.

**O40:** What are some things you like to do for fun or to relax?

**J:** For fun, I love going to the pool, the beach, running and shooting 9-Ball. Getting a full-body massage by someone with a pair of strong hands is my favorite form of relaxation.

**O40:** Sounds sexual.

**J:** It can be.

**O40:** How do you normally like to dress? Do you usually wear panties?

**J:** The less clothes the better. I like to show a lot of skin. I have to wear panties. I’m always wet and without panties, it would be dripping down my legs.

**O40:** Describe yourself sexually.

**J:** I am a highly charged sexual woman. My hormones are raging and my sex drive is off the chain right now.

**O40:** Was it fun to pose for your layout?

**J:** It sure was. I just love showing my pussy, as well as my titties.

**O40:** What are your biggest sexual turn-ons and turn-offs?

**J:** My biggest turn-off is a guy who doesn’t know what he’s doing or wants his dick sucked, but doesn’t eat pussy. My biggest turn-on is a guy who does know what he’s doing and who enjoys extended foreplay.

**O40:** What types of foreplay?

**J:** Kisses all over, roaming hands everywhere, fingering and dick-stroking, and maybe fun with chocolate sauce, whipped cream and maraschino cherries.

**O40:** What do you do with the cherries?

**J:** Have him eat them out of my pussy.

**O40:** What is your favorite sex act?

**J:** I am a big fan of oral, giving and

receiving. Not that I don’t love almost any other kind of sex as well.

**O40:** Do you swallow?

**J:** Are you kidding? Of course!

**O40:** What if he wants to cum on your face?

**J:** If he’s been a good boy and if that’s what he wants, okay. The hot splash of his pleasure is a wonderful sensation.

**O40:** Do you enjoy dressing up for sex? What are your favorite types of lingerie?

**J:** I love dressing up for sex and I think sexy lingerie plays to a man’s fantasies and enhances his pleas-

ure. I wear bra and panty sets, teddies, baby dolls, and corsets, with garters and thigh-highs. My favorites are the peek-a-boo teddies. Easy access and lots of pleasure!

O40: What was your wildest or most memorable sexual experience since hitting your forties?

J: I had sex with a man ten years younger than me on a beach in Jamaica, with tons of people watching. It was fucking amazing. I had multiple cums.

O40: Are you into younger guys?

J: So, so into them! Younger guys have more stamina and can go on and on, and do things a lot of older men won't do.

O40: Like what?

J: Like lick pussy for one thing, different positions, and younger men are more apt to make sex fun and get a little crazy and add some kink to the mix.

O40: What kind of kink do you enjoy?

J: I love to have my toes sucked. That's a turn-on that makes my clitty throb. I enjoy being spanked while getting it from behind. One young man I was seeing lifted my pussy onto his face while I was going down on him. He had his whole tongue in my pussy, sliding it around, and his cock was so hard in my mouth, I couldn't get enough of sucking it. It was the best oral ever! Then, he fucked the hell out of me!!!

O40: Which do you enjoy more, oral or fucking?

J: I'm fucking insatiable when it comes to sex. I want it every way you can do it!

**“I take our friend’s prick in my pussy and my husband’s in my mouth”**

**BY BEA HARRIS**

**AGE:**  
**45**

**OCCUPATION:**  
**Store Manager**

**FROM:**  
**Muncie, Indiana**

**OVER 40:** Have you ever had two men at the same time?

**NATALYA:** Yes, I’ve had them one at a time and both together.

**O40:** Are you married?

**N:** Yes, for the second time, and my husband was and is one of the two men.

**O40:** So, that wasn’t a one-time experience for you.

**N:** No, not at all. I love variety and the thrill of exciting men with my naked body, and the experience provides me with both.

**O40:** Was doing your layout a turn-on for you? Our readers will be very excited!

**N:** Oh, I hope so. I was very aroused, and I was ragingly horny

when I got home after the photo shoot. I’d taken the day off, and my husband wasn’t home, so I rushed to my room and masturbated with both hands like I was taking on the two men.

**O40:** How did you do that?

**N:** I did it back and front. I had one hand on my pussy and my other between my rear cheeks, and I frigged myself in both holes. That satisfied me temporarily, but I was just as horny when Ben came home. I greeted him at the door in the nude — fortunately, no one was on the street right outside our front door — and he sprung an erection right then and there. He hadn’t even taken off his coat. Since our son and daughter are off in col-

lege I was alone in the house, so we didn’t have to confine our sex life to our bedroom late at night.

**O40:** So, you fucked in the living room.

**N:** Not quite immediately. He asked for a couple of minutes to relax and get ready, and he went upstairs to get undressed while I got a glass of wine for us. He came downstairs in only his shorts, and we sipped our drinks. His hard-on had gone down a bit, and I was sitting with my legs parted so he could see I was already wet. He barely managed to finish the drink before his cock stiffened again, and the head popped out of his fly slit. I reached in and fished it out, and I turned and lay on my stomach,

nestling my chin over his thigh and taking his prick into my mouth. As I sucked him, he laid a hand over my bare rear end and rubbed the edge of his palm along my ass crack. I gulped down his load and lifted up enough so I could frig my pussy, and I came on my fingers, as he was cumming in my mouth.

**O40:** That's a great way to start the evening! What did you do next?

**N:** I asked him what he wanted for dinner, and he said he didn't know about that yet, but that he wanted an my pussy as an appetizer. I positioned myself so he could get his mouth on my sex, and then we were calmed down enough to order take-out and eat before heading to the bedroom.

**O40:** What did you do with two men?

**N:** Our swinger friend comes over on a Friday night from time to time. He's currently single, so he doesn't often get a chance to swing. We go upstairs to my bedroom, and I take turns sucking him and my husband off, going from cock to cock. They take turns eating my pussy, and when they're hard again, I get on all fours. I take our friend's prick in my pussy and my husband's in my mouth, and after they cum, they eat me out again until they're ready for another round. That time, I suck off my friend while my husband fucks me. Our friend recently met a woman, and he asked us if we'd try a four-way, and just the thought of it is about enough to make me cum!

**O40:** Natalya, your layout will do that for our readers! Thank you for appearing in OVER 40!

**“When I stepped out into a roomful of naked people, I immediately got wet.”**

**BY BEA HARRIS**

**AGE:**  
**40**

**OCCUPATION:**  
**Stripper, webcammer, sex worker**

**FROM:**  
**Charlotte, North Carolina**

**OVER 40:** How would you describe your sex life?

**ANGELICA:** I'd say it ranges from adequate to wild.

**O40:** What do you call adequate?

**A:** Well, having a couple of orgasms! (Laughs.) Just good, plain basic sex a couple of times during the night.

**O40:** Are you married?

**A:** Yes, and we have an open marriage by default.

**O40:** Default?

**A:** We do have good sex together, but we also see others. I'm just too horny to settle for one

cock to fuck, and it's only fair for me to let Forrest fuck other women.

**O40:** That might sound like cheating.

**A:** We don't think so. Cheating means being secretive about it, and we're quite open about our activities. In fact, we discuss what we do with our other partners when it's just the two of us.

**O40:** Sounds like verbal foreplay.

**A:** That's exactly what it is, and I'm as turned on by hearing what he does with other women as he is hearing about my extra-marital exploits.

**O40:** Would you actually like to see that?

**A:** That would be tricky. We don't tell our outside partners that we're married, and I guess we just have to wait until one of us finds the right person.

**O40:** Now, you discussed the adequate part. What did you mean by wild?

**A:** A man I picked up at the strip club I work at invited me to a sex party. Again, I didn't have my ring on, so he thought I was just a horny single woman.

**O40:** Wouldn't he be the kind of man who wouldn't mind having your husband watch?

**A:** I suppose, but I haven't seen

him since that night. He was in town on business, and who knows where he is now? He said something about where he lives, but I don't remember what that was.

**O40:** So, strictly a one-night stand.

**A:** But not like the expression usually means. I fucked him only once during that night, and I fucked three other men before I was too exhausted to do anything but call a car service and go home. I went right to sleep, promising Forrest that I would tell him all about it the next night. He had also been out

he was actually glad I wasn't into it!

O40: You said you fucked four men at that party. Did you pull a train, or did you take them on one at a time?

A: Just one at a time so I could rest between rounds and watch the goings-on.

O40: Was that a turn-on for you?

A: My inner voyeur came out, and I couldn't keep my hands off my pussy while I watched. I was looking at doggy-style fucking, woman on top, plain old missionary, and a sitting-up fuck. I'd never done it like that, and the night after, fulfilling my promise to Forrest, after I turned him on so much he was trembling from my describing the party, I had him sit on the edge of the bed and hold up his cock. Like I'd seen at the party, I backed into it, spreading my lips and lowering my pussy to his prick.

O40: What positions did you use at the party?

A: The man who invited me asked me to ride him. When we arrived, he directed me to a bedroom where everyone undressed, and we got naked there. When I stepped out into a roomful of naked people, I immediately got wet. I rode his cock a while, and after I took a break, I fucked the next man doggy-style, the man after that the same way, and finally, took the fourth man on my back. I came so many times!

O40: As will our readers from your layout, Angelica! Thank you for showing your sexy self in OVER FORTY!

**“I love, really, really love giving head. Just the thought of going down on a man makes me wet.”**

**BY MAGGIE SPECTER**

**AGE:**  
**43**

**OCCUPATION:**  
**Victims Rights Advocate**

**FROM:**  
**Louisville, Kentucky**

**OVER 40:** Sexually speaking, how are you different now than when you were younger?

**SUNNY:** When I was younger, it was all about the sex, doing it and getting off. I thought about sex morning, noon and night, and while that hasn't changed much, now, it is more about exploring my sexuality and desires. At this point, I am more adventurous and willing to try new things and not be hung up on what I'm "supposed" to do.

**O40:** Are you bisexual? If so, do you have a preference?

**S:** I like women, but I like men better than women. Whenever possible, I like to have sex with a man

**AND** a woman at the same time.

**O40:** Describe your ideal sex partner.

**S:** Someone who is fun in the sack and can really get into it, someone who can make my pussy purr. There is nothing sexier to me than a man who has the ability to make me cry for mercy.

**O40:** And how might a man do that?

**S:** By giving me something I am going to remember and smile about the next day, the kind of sex that leaves me feeling like I just did a serious workout at the gym.

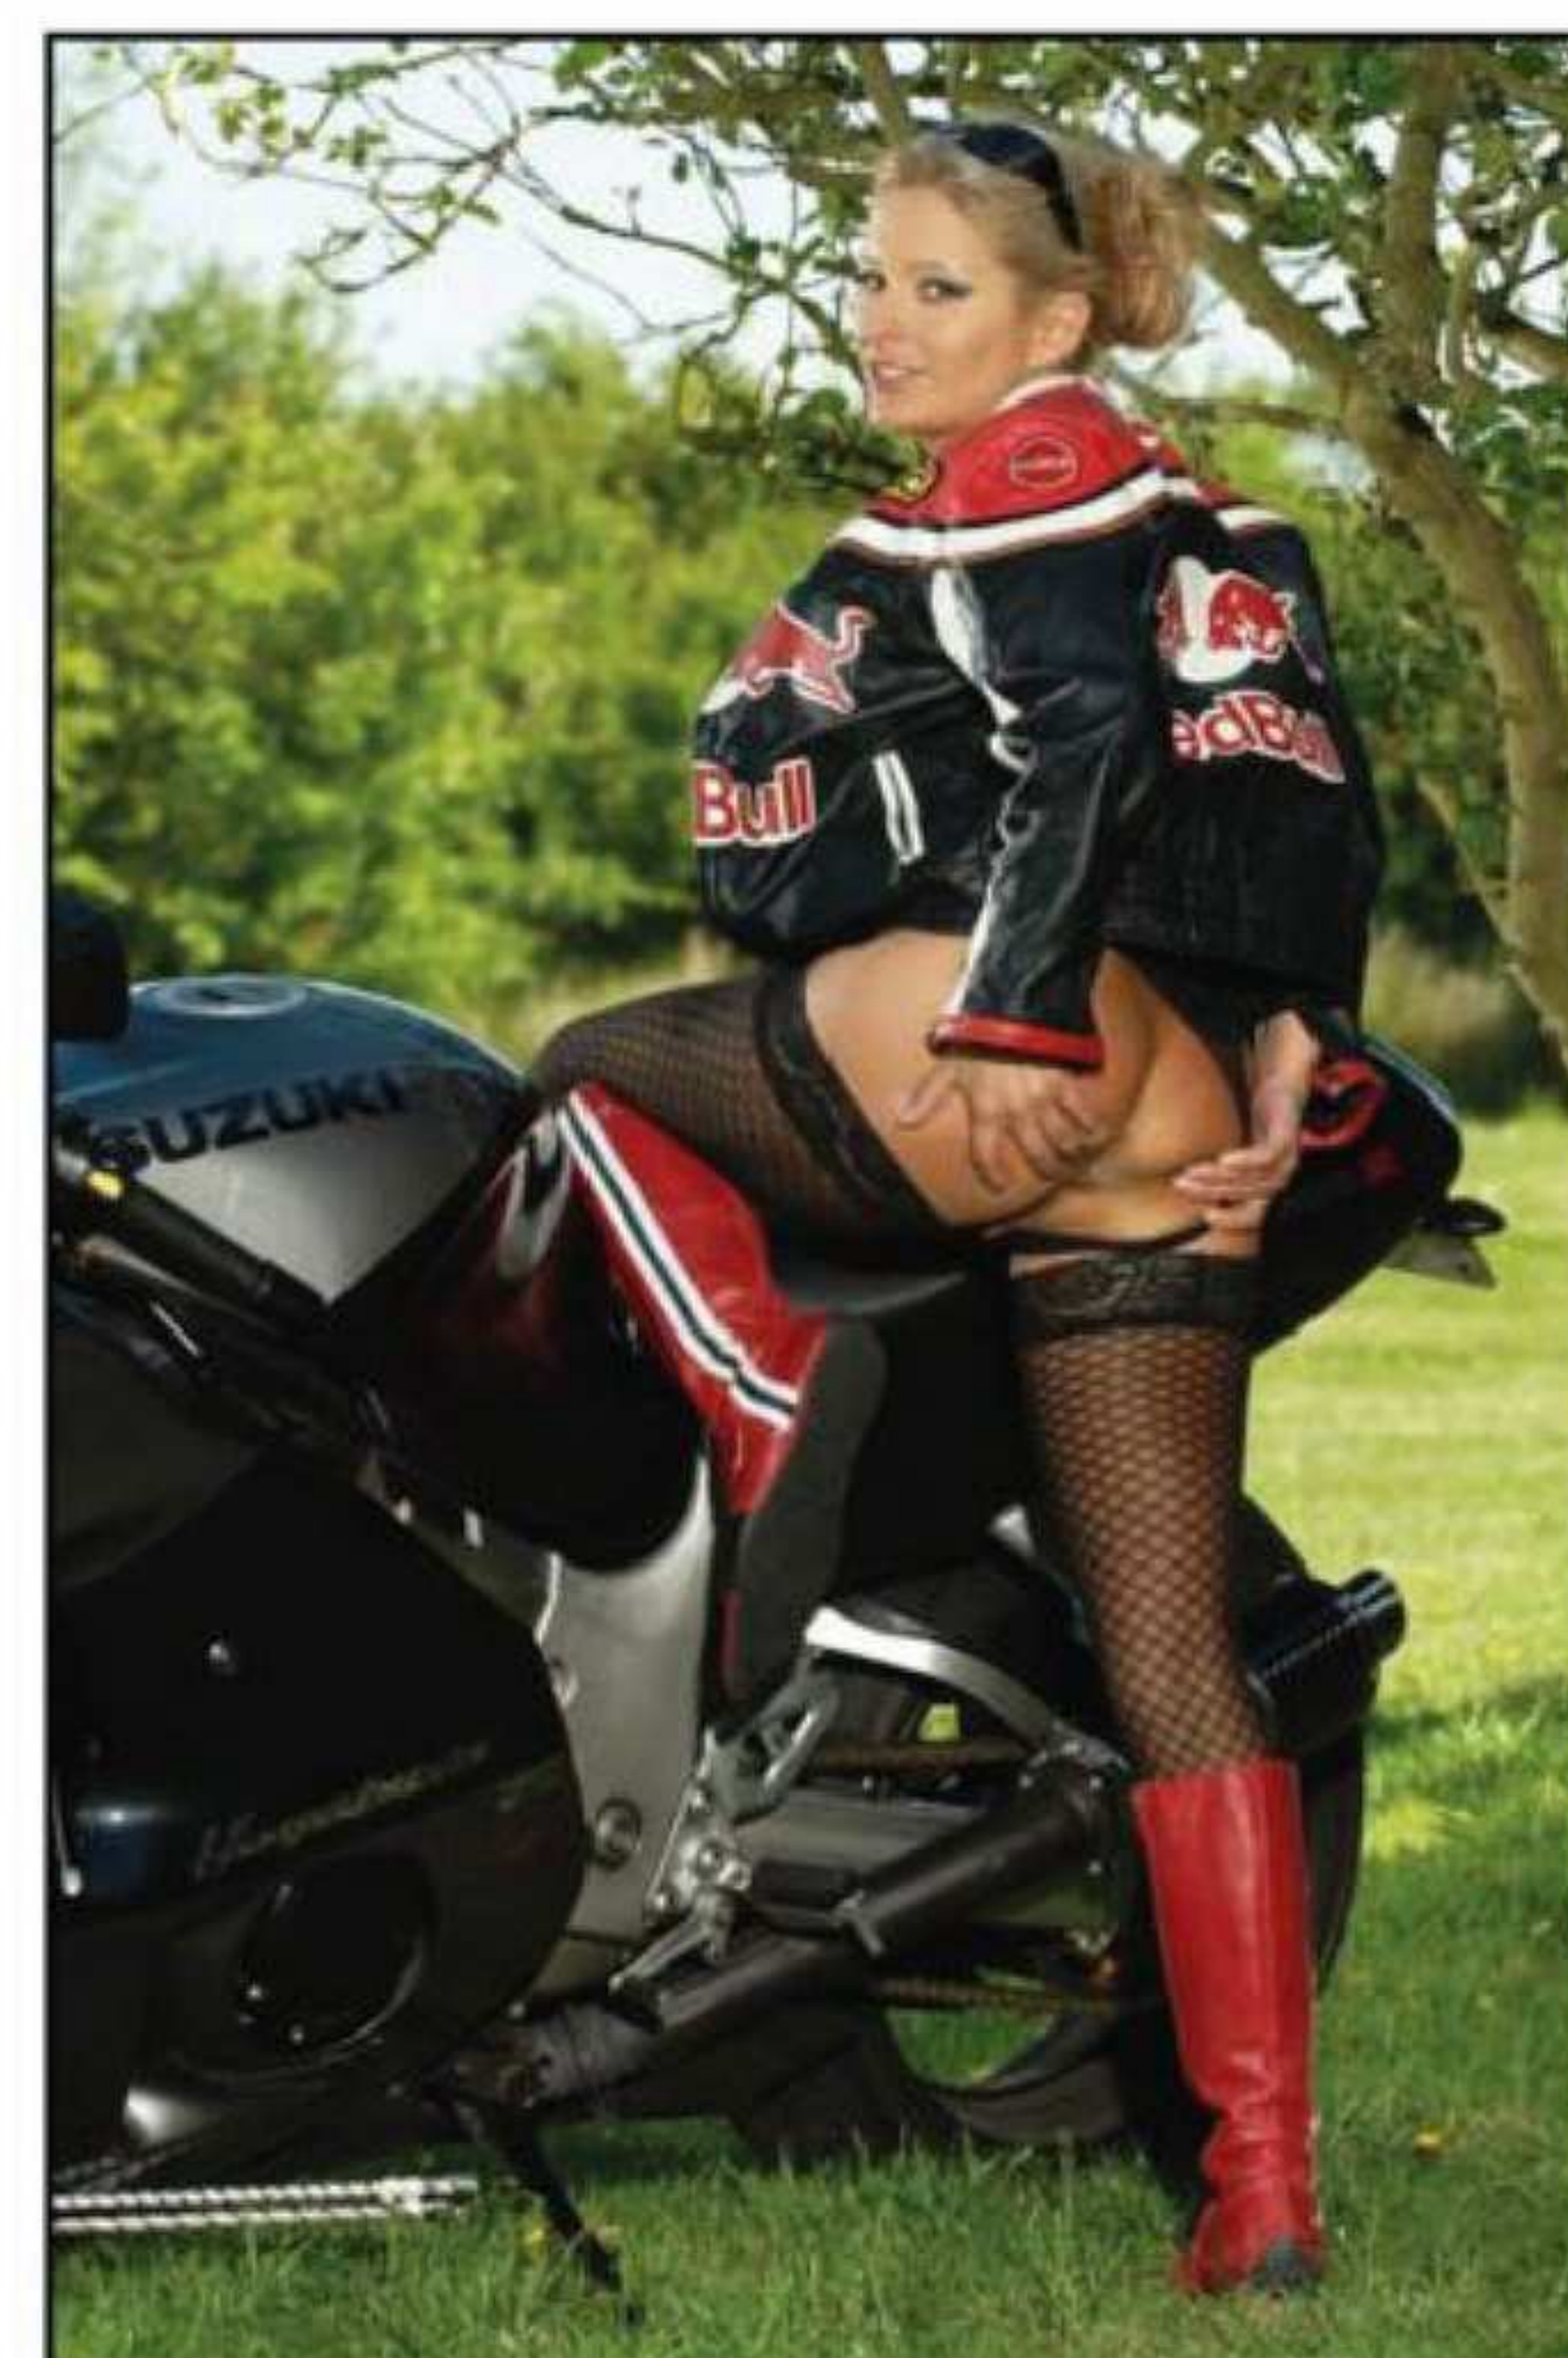

**O40:** So you like for the man to be in control?

**S:** No, not necessarily, but into it, into me, into the moment. Grab my legs and pull my ass down to the middle of the bed, get on me, hold my hands over my head and just fuck me. Give it to me again and again until I'm breathing hard and can't get a word out of my mouth and then turn me over and give it to me some more.

**O40:** Do you have a favorite position?

**S:** No. I am very bendable, very flexible. I want to be fucked in every position and some of them twice.

**O40:** Have you ever done the cougar thing with a younger man?

**S:** I have and I will do it again. I was seeing a 20-year-old for a while. The sex was great, and he was always eager. It ended when he switched to a college in another state.

**O40:** Do you keep in touch?

**S:** We did for a while over the computer, but cybersex doesn't do it for me. It's just masturbation with an audience and no substitution for the old in and out.

**O40:** Do you masturbate a lot? How do you do it?

**S:** I use my vibrator every day, usually before I go to sleep.

**O40:** What do you like to do with a woman in bed? Are sex toys involved?

**S:** With a woman, I want oral, oral and more oral. No sex toys, just lots of warm, wet tongue. Women really know how to lick clit.

**O40:** Do you enjoy oral with a man, giving and receiving?

**S:** With a man, I would rather give oral. I love, really, really love giving head. Just the thought of going down on a man makes me wet.

**O40:** Do you have a special technique? Can you deep-throat?

**S:** I can deep-throat, but not with every guy. It depends on the size of his dick. I don't have a special technique. I just get as much of his dick into my mouth as I can and suck it, going up and down. When I get to the top, I suck the head, lick it all over, and go back down.

**O40:** Do you swallow his cum, or take his cum on your face or breasts?

**S:** I prefer to swallow. I don't like it on the face, but otherwise, a man can cum on me anywhere he likes!

**"I love the smacking sound when I am being banged."**

**BY MAGGIE SPECTER**

**AGE:**

**47**

**OCCUPATION:**  
**Library Assistant**

**FROM:**  
**Scranton,  
Pennsylvania**

**OVER 40:** Describe yourself sexually.

**KAREN:** I'm a horny girl. I am always down for crazy sex.

**O40:** Define what you mean by crazy sex.

**K:** I mean hot, hard, long, sweaty sex that is sometimes rough, like catching me off guard and ripping my clothes off and slamming me up against the wall. Anything goes! No rules!

**O40:** Would you say that you are sexually submissive?

**K:** I don't find abuse or being hurt pleasurable. That aside, I do love to be dominated in bed to the extent that it is pleasurable for

me. Contrary to what some people may think, it is very freeing to be submissive and dominated.

**O40:** Are you married, single, or involved in a relationship?

**K:** I live with someone. I have been married, however.

**O40:** Are you bisexual?

**K:** No, but sometimes, I fantasize about women and get really turned on.

**O40:** Do you masturbate to those fantasies? If so, how?

**K:** I do. I wet my fingers in my mouth and flick them back and forth like a tongue on my clit, imagining I am eating pussy while another woman is eating my pussy.

**O40:** Is this a fantasy you would like to live out?

**K:** I'm not sure, maybe.

**O40:** What is the best part of sex?

**K:** I love the smacking sound when I am being banged. I love the plunging, sucking sound, and his balls slapping against my ass, and I love hearing him grunt as he is about to explode.

**O40:** Do you need a lot of foreplay? What types of foreplay do you enjoy?

**K:** The more aroused I am the more passionate and responsive I will be in lovemaking. Foreplay is very arousing. I like French-kissing, caressing, him licking my body and nursing on my nipples,

and getting his cock hard with my mouth.

**O40:** Do you enjoy giving oral to a man?

**K:** Yes, I absolutely truly do. I love the taste of a man's juice and having it rubbed all over my face. I love the smell of a man down there.

**O40:** Have you ever had anyone who wanted you to sit on his face?

**K:** Yes, and I did it, and trust me, it was a very, very pleasurable experience. I ground down on his mug and he licked me back to front, and I had amazing orgasms.

O40: Do you like having your ass licked?

K: Oh God, yes!

O40: Do you enjoy anal sex?

K: Yes, I do. I like anal slow and deep.

O40: In the doggy position or riding him?

K: Riding him, because when I am on top, I can control penetration and take him in nice and easy.

O40: Have you ever had double-penetration, either with two men, or with a man and a sex toy?

K: I've done it with a man doing me anally while I finger-fucked my pussy with two fingers. I prefer my own fingers to any sex toy.

O40: Do you like to talk dirty during sex?

K: Dirty talk goes with dirty sex. "You're so hard... I'm so wet... I want you inside of me now. I want you to explode in me...." I think that's what a man wants to hear.

O40: What do you want to hear the man say to you?

K: I want to hear him say, "Ride me, bitch! Your pussy is so fucking hot! I'm gonna' cum. I'm gonna' fill you with a hot load!"

O40: What would you like our readers to imagine while looking at your photos in the magazine?

K: Giving it to me hard and deep!

# OUR THREE-WAY PARTNER

*Forty-plus Dora's husband thought he was just going to watch until she included him in the action!*

**By Dora Larson**

**H**e had taken my blouse and bra off in our living room, and I unzipped my skirt on the way upstairs to our guest room. By the time I got in, I was wearing panties and nothing else, and I tugged at the man's belt, as I sat my nearly bare bottom on the edge of the double bed.

My husband came in a moment later, and Brett sat in a strategically placed chair. Not only could he see the action on the bed, he could get an even better look at what was happening in a mirror on the opposite wall. Our friend stepped back and quickly got out of his pants and shirt, and I yanked down his boxers. My husband leaned over, watching intently as I seized the other man's prick and rubbed the tip of the head across my lips.

I could feel my husband's excitement, and I was sure he was already hard. Glancing at the mirror for a better view, he saw me slowly take Paul's cock into my mouth and reach around to clutch his bare ass cheeks.

This was our third such encounter, and as I felt Paul's hardness against my tongue; I decided to add more heat to the experience. Not right away, though. Brett was already aroused, but I wanted him to be even more so. Also, I did want to finish sucking Paul's cock. My husband enjoyed watching me suck dick, enjoyed it more to see another man's tongue on my pussy and of course liked best of all to see that man slip his erection into my pussy. Thinking of that turned me on even more, and I dropped my free hand between my thighs, draping a finger over my pussy slit. Glancing sideways, I could see Brett leaning more toward us, gazing at my hand as well as the sight of Paul's balls against my chin.

Paul grunted something unintelligible and grasped my shoulders, as he started to cum. I gulped down his load and released his prick slowly, and then I stretched out on my back. Raising my knees, I parted my thighs and put my hand back over my pussy lips.

My husband was seriously turned on now, and I could see the bulge in the crotch of his slacks. During our last two "dates" with Paul, he'd kept his pants on, waiting till we were alone. Our sex life had always been good, but we really got wild, and he fucked like a man some twenty years younger. If what I was planning then was successful, our sex life would be beyond incredible.

I turned so I was lying crosswise on the bed, my legs over the edge, giving Brett a better view directly and in the mirror. Paul knelt in front of me and draped my legs over his

shoulders. He stuck out his tongue and laid the flat over my slit, and my husband made a cute grunting sound. Our friend licked my pussy slowly a couple of times before curling his tongue and pushing it into my slit. His experienced tongue-fucking had me halfway to climax before he pulled back his tongue. Pressing the tip firmly against my labia, he licked in lines and circles, like tracing alphabet letters. When he was up to "d" my lips were fully engorged, he slipped two fingers into my slit and dragged the tip of his tongue to the top, nudging aside the protective skin over my clitoris. I prefer direct stimulation, so he pressed down on my cum-button, and I exploded loudly in orgasm.

When Paul pulled himself out from between my legs, my pussy and the insides of my thighs were wet, and the scent of sex filled the room. That bulge in my husband's pants was bigger now, and his grimace told me it was practically painful. Paul's cock was hard again, and he asked me how I'd like to fuck. To give my husband a better view I usually rode our friend, but what I had in mind called for a different position.

"I think I want it like this," I said, as casually as I could. I got on all fours, again facing the edge of the bed. Paul knelt behind me and reached under my thighs to spread my pussy lips. I looked back at him, as he took hold of his hard-on with his free hand and pressed the tip of the head against my pussy.

"Wait a minute, Paul." He pulled back and inch or so, and I chuckled at the confused look on his face. "Brett, take off your pants and shorts and come over here. You might as well take off your shirt, too."

Paul grinned, having figured out what I had in mind. My husband hesitantly got up and stepped to the bed, fumbling with his belt.

"Go ahead, Brett," Paul encouraged him. "I know exactly what Dora has in mind."

My husband smiled resignedly and got out of his clothes. I told him to step closer, and I reached out and seized his prick.

"Oh, you're going to jerk me off while you're fucking, right?"

"Well, in a way, but not with my hand. Could you please get closer still?"

I was still holding his cock around the bottom. He stepped closer, pressing his knees against the edge of the bed, and I turned to Paul.

“Okay, give it to me now.” Our friend popped his dickhead into my slit and slowly eased in his prick, and I tightened my grip on my husband’s cock and slipped it into my mouth.

“Oh, this is so hot,” my husband gasped. I slid forward and he leaned into me, and his prick bottomed out in my mouth, as our three-way companion’s cock bottomed out in my pussy. Paul pulled back a couple of inches and I pushed forward, and I pulled back when Paul pushed in. We quickly set up a back and forth rhythm, but it didn’t last very long. Less than five minutes later, my husband was so turned on by the newness and the added super-stimulation that he shot off copiously. I opened my mouth wide and let his cock flop down over my chin, and Paul reached under me. I started to cum at the first touch of his hand on my pussy, and he groaned something that sounded like too much. I felt the ejaculatory jerking of his prick, and as my wild orgasm raged on, I was dimly aware that he was filling his rubber.

The intensity of my climax made me flop down, trapping his hand under my pussy mound. His softening cock slid out, and I raised my tush just enough for him to get his hand back. He rolled off and sat up, staggering off the bed. Our friend went to the bathroom, and my husband got up on the

bed with me.

“Very creative, Dora,” he chuckled.

“The art of sex,” I laughed in return. “And it would be more creative if we did it the other way around.”

“Well, yes, but I don’t know if I have anything left after that.”

“Me, too,” Paul said, as he came back in.

“I’m sure you’re both good for another round, and after all that cock, I’m in the mood for some tongue.”

Paul turned to Brett. “Does that sound like a hint to you?”

“Now that you mention it, Paul, I think it does.”

All those achy workouts in the gym paid off beautifully, keeping me limber enough so I could lift my legs, grip my ankles and rock back, exposing both sex holes.

“Now, ‘around the world’ has more meanings than just travel, guys.”

“I think I know another meaning very well,” Paul said.

“And it is only polite to let the guest go first,” I added.

I had two pairs of eyes on my wide-open sex, and the exhibitionist in me sent a surge of lust that made me shake and made my nipples stiffen. Both cock seemed to be getting longer already. Paul turned on his stomach and slid toward me, grasping my hips. My husband perched on the foot of the bed, watching Paul press his face against my ass crack. Analingus was something I’d had to talk Brett into, but he discovered he loved licking my rear hole almost as much as he did my pussy the first time he tried it.

It hadn’t been part of our previous get-togethers, mostly because I was too caught up in having two hard dicks to pleasure me to think about it, and I wondered if Paul would be as hesitant as my husband had been. However, Paul had no such inhibition. I felt his cheeks and chin on my rear crack, and then his tongue on my anus. The sharp rush of pleasure made me think of another way to have sex back there, and I thought of another way we could have that “second round.”

First, though, both cocks had to be hard again. Getting Brett to fuck me back there took more effort than getting him to use his tongue, and like with analingus, he discovered how pleasurable fucking me back there could be the first time he’d gotten his erection in my tightest sex hole. Did he know how much tighter I’d be if I had a cock in my pussy at the same time? Probably not, but he was going to find out that night.

Of course, pleasuring me orally came first. Not only would both cocks be up and ready, I would be wetter down there. I contemplated which cock would go where, and I decided that it would be Brett’s in my rear hole. That way, he would see for himself how much tighter I’d be.

I didn’t bother to mention my plans. Surprise sex is always hotter isn’t it? Besides, lust was raging through my body, making it difficult for me to speak. Paul licked firmly and pushed in a bit of tongue tip, making me cry out in ecstasy, and then he slowly dragged his tongue up to my pussy. Arousal fluid was already seeping into my rear crack when he pushed his curled-up tongue into my slit, and I felt his mouth on my sex, as he licked deeply, brushing the tip over my G-spot. I brushed my hands over my breasts and

squeezed my nipples, feeling another great orgasm build in my pussy. Our friend withdrew his tongue and licked around as he had before, and I was cumming on his mouth and his inserted fingers even before he reached my clitoris.

Dropping my legs over his back, I pulled at the sheets, humping my pussy against his mouth and hand. He kept frigging and licking until I gasped at him to stop, and I barely felt him withdraw from between my legs.

"Oh, that was too intense," I managed to say. "Now, just give me a couple of minutes."

I lay back, breathing hard, but I only actually need a minute or so. My lust rose again, and again I lifted my legs and rocked back. Paul moved to the foot of the bed, and my husband took his place in front of me. Now experienced at ass-eating, he licked my tighter hole as deftly as Paul had, and I was soaking wet on the bottom before he got his tongue in my pussy.

As the wild rush of pleasure raced through me, I glanced at Paul and saw that he was already hard. Since my husband's cock was pressed under him, I couldn't tell if he was also erect, but I was sure he was as ready as our three-way partner. My climax was perhaps a bit more intense because it was my husband who was giving it to me, and when he removed his face and fingers from my sex and lifted my leg so he could roll over on his back, I needed a full five minutes before I was ready for what I considered the main event.

It had been years since I'd had ass and pussy double penetration, and I remembered the last time as vividly as if it had happened the day before.

"Brett, dear, please get the lubricant. Paul do you have a fresh rubber ready?"

"No, but I will in a minute."

My husband cast me a puzzled glance. "What do you have in mind now, Dora?"

"Bring me the lube, and you'll find out."

"Oops, I think I know," Paul intoned.

My husband left our bedroom, and when he came back

with lube, he grinned from ear to ear.

"Dora, I think I might have figured it out. Now, how are we going to do this?"

"By following my instructions, Brett. Paul, do you know how this is done?"

"I think so, but you're our guide, here."

"Okay. Now, Paul, get on your back. Brett, just be ready. No, use your lube on my rear, first."

I'd almost forgotten that detail. Ass-fucking requires heavy lubrication, and I wasn't sure I was lubed enough just from my pussy fluids. I got on all fours. My husband spread lube over his fingers and lowered his hand down my butt crack, and when he could slip in two fingers, I announced that I was ready.

Paul was already lying back. I straddled his waist and tucked his prick into my pussy, and I slid down until I felt his scrotum against my labia. I bent way over, and my husband didn't have to be told what to do. He had already put on a condom and had lubed his prick, and he slid it down my ass crack and pressed the head against my anus.

"Are you ready, Dora?" he asked, his normally smooth voice now showing a bit of hoarseness.

"Come on," I urged him.

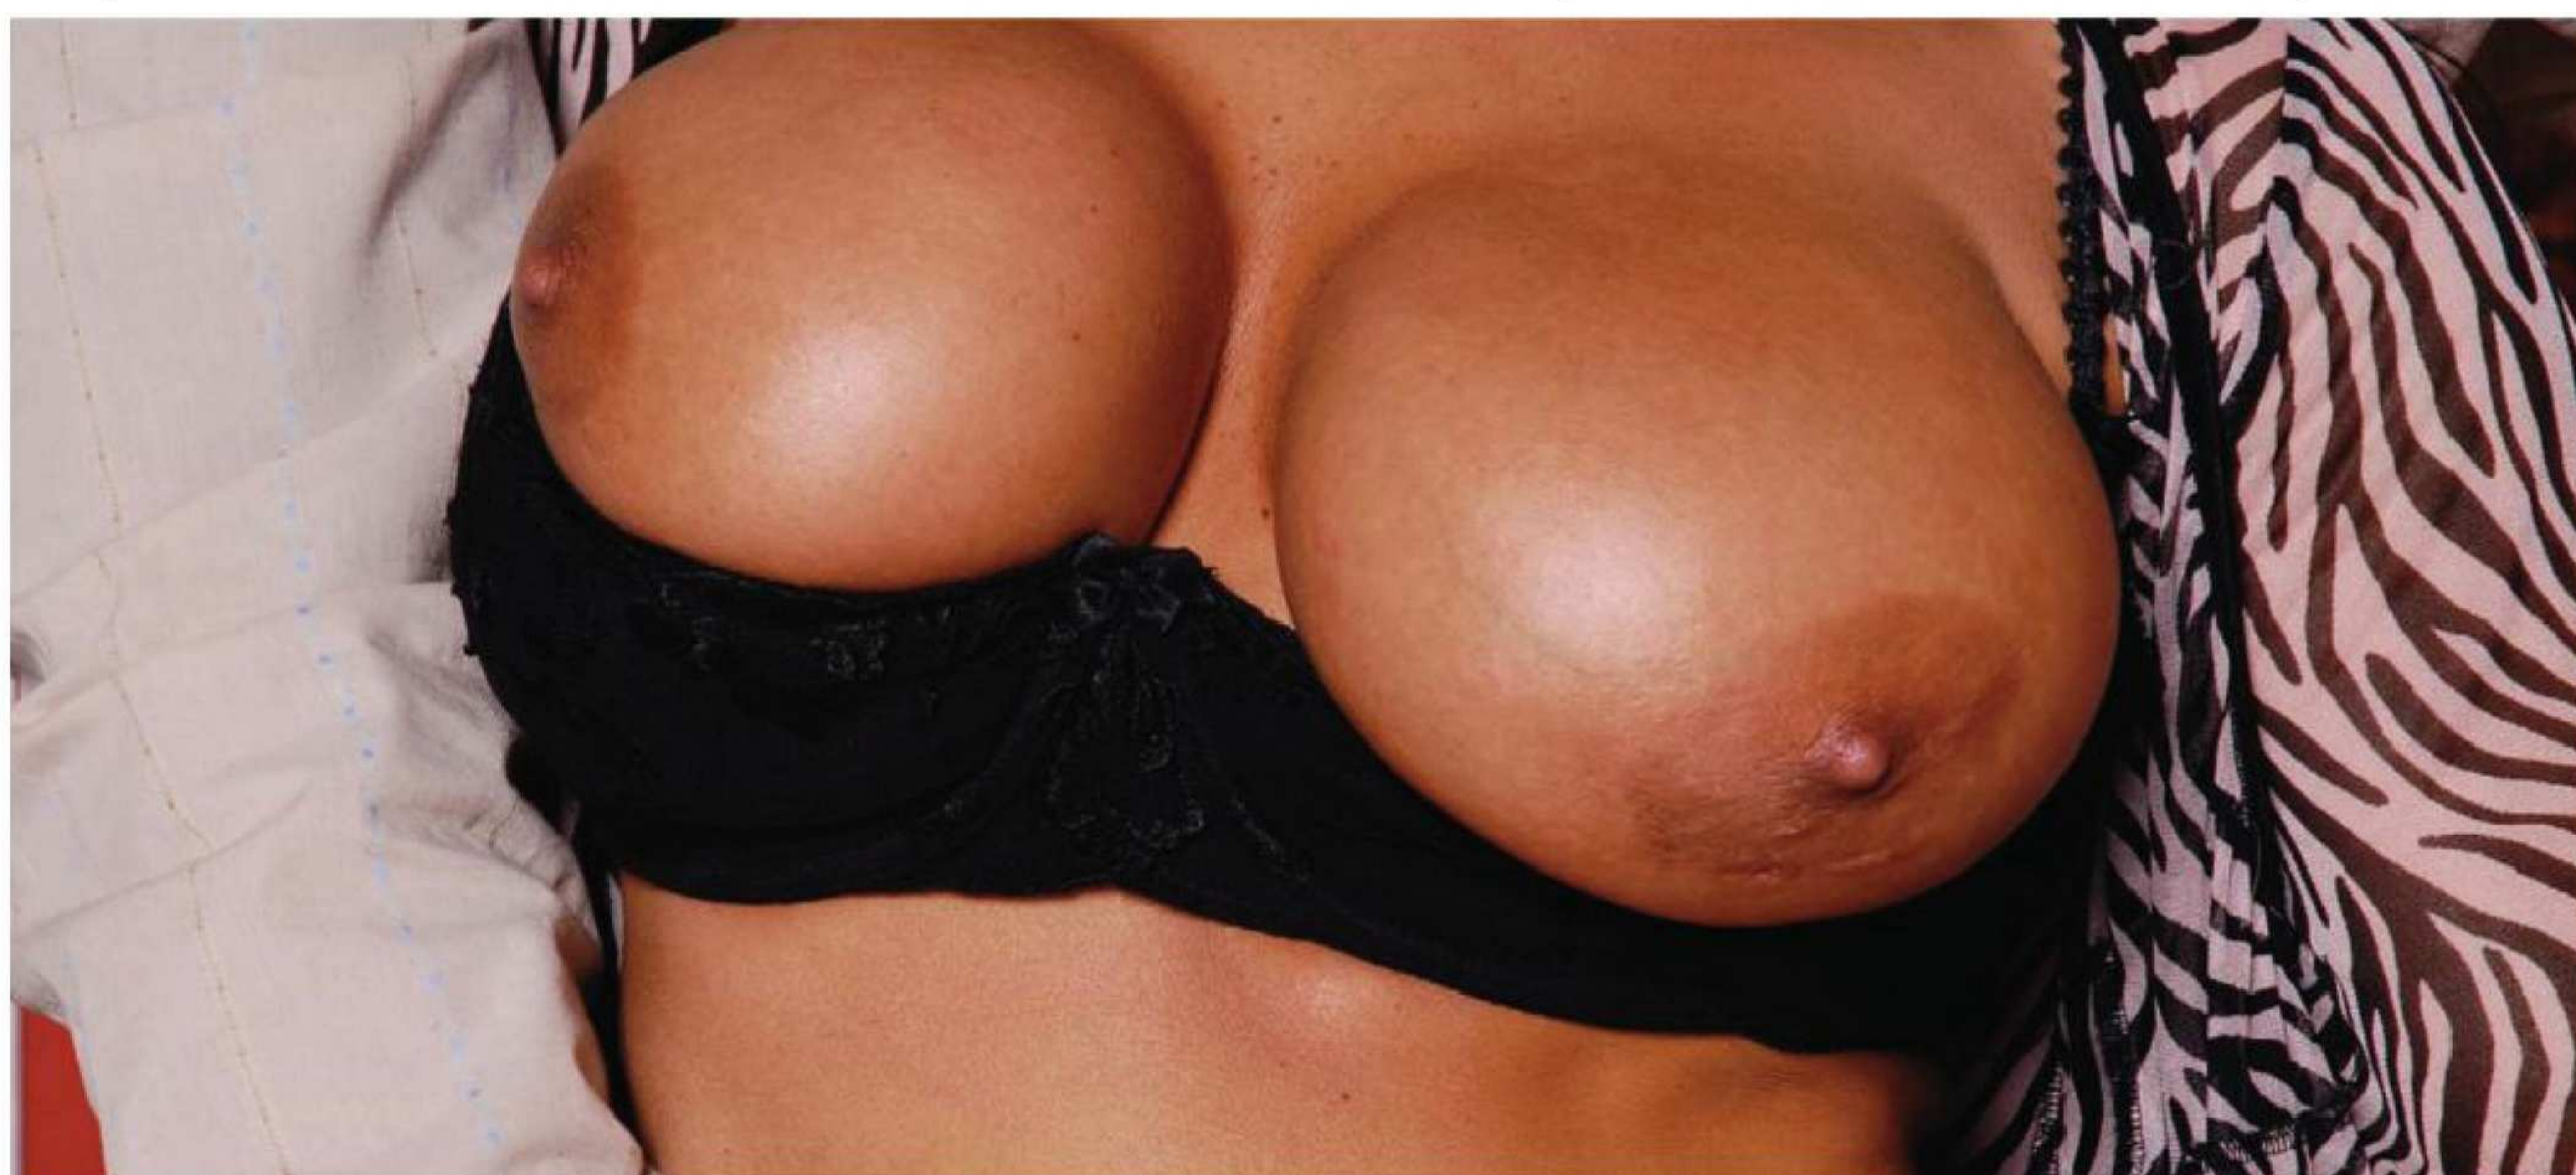

He pushed his dickhead through my butthole, and I shrieked as I always had at that first penetration. The sharp, stinging pain gave way almost momentarily to pure pleasure, and we started an up and down rhythm.

My orgasm was beyond description. I heard grunts, groans and my own shrieks, and I wasn't aware that both men had cum until feeling cool air on my bottom told me they had pulled out.

The three of us were exhausted, and we lay side by side for a while. My husband said, "You know, we have to do this again, sometime."

"Okay," I chirped. "Like the next time the three of us get together?"

"Sounds good," said Paul, and then we all laughed.

**“It was an exhibitionist’s dream. Sex in front of people really added to my orgasms. I had so many.”**

**BY REVA MOORE**

**AGE:**

**49**

**OCCUPATION:**

**Housewife**

**FROM:**

**Wantagh, New York**

**OVER 40:** Tell us a little bit about yourself and why you did your layout.

**SUZANNE:** I am a wife, a mom, soon-to-be a grandmother, and a woman in her sexual prime. I’m a total horn ball. I did my layout because I am an out-and-out exhibitionist and want to show myself to all the MILF lovers that read the magazine.

**O40:** How’s your sex life?

**S:** Hot, spicy and constant. We’re like newlyweds thanks to my out-of-control libido. We have sex twice a night and once in the

morning, and fuck like bunnies every other chance we get. Sometimes, when my husband can’t keep up, he’s always glad to satisfy me with his fingers or tongue, or a dildo.

**O40:** Do you masturbate a lot? How do you do it?

**S:** No, I don’t do it a lot. You would think I would, but I enjoy being in the state of arousal and saving it for my man. I only do it when I am so turned on that I can’t handle it and then I reach for anything that will do the trick or I use my fingers.

**O40:** What’s the weirdest thing you’ve used?

**S:** A marble banana from Mexico, from a bowl of fake fruit I had on the kitchen table.

**O40:** Are you into any kind of swinging?

**S:** No, but we participated at a sex party thrown by friends who wanted to do something wild for their 25th wedding anniversary. We were all couples, there was no swapping, and we all got naked and had sex with our own partners at the same time, in a room with mirrored walls and a mirrored ceiling. You could watch everybody else in the mirrors while they were watching you and, of course, everyone put on their very best performance, trying to look good. It was beyond wild!

**O40:** What did you enjoy more, watching or being watched?

**S:** Being watched, especially when I was sucking my husband’s cock. It was an exhibitionist’s dream. Sex in front of people really added to my orgasms. I had so many.

**O40:** Have you considered swinging?

**S:** It’s a subject that comes up frequently. It’s a temptation, but I’m selfish with my husband. I’d be jealous. I don’t want anyone else to touch his junk but me.

**O40:** What’s your favorite way to get your man off?

**S:** With a surprise blowjob. I like to take him off guard. For example, once he had some friends over to watch some sports event on TV and I called him to come upstairs for a minute. While his friends were probably thinking I was griping about the game and them being over, I had him up against the wall, with his pants down and his cock in my mouth. Little did they know as they were cheering over something their team did, his cum was gushing down my throat.

**O40:** Were you secretly hoping you would get caught?

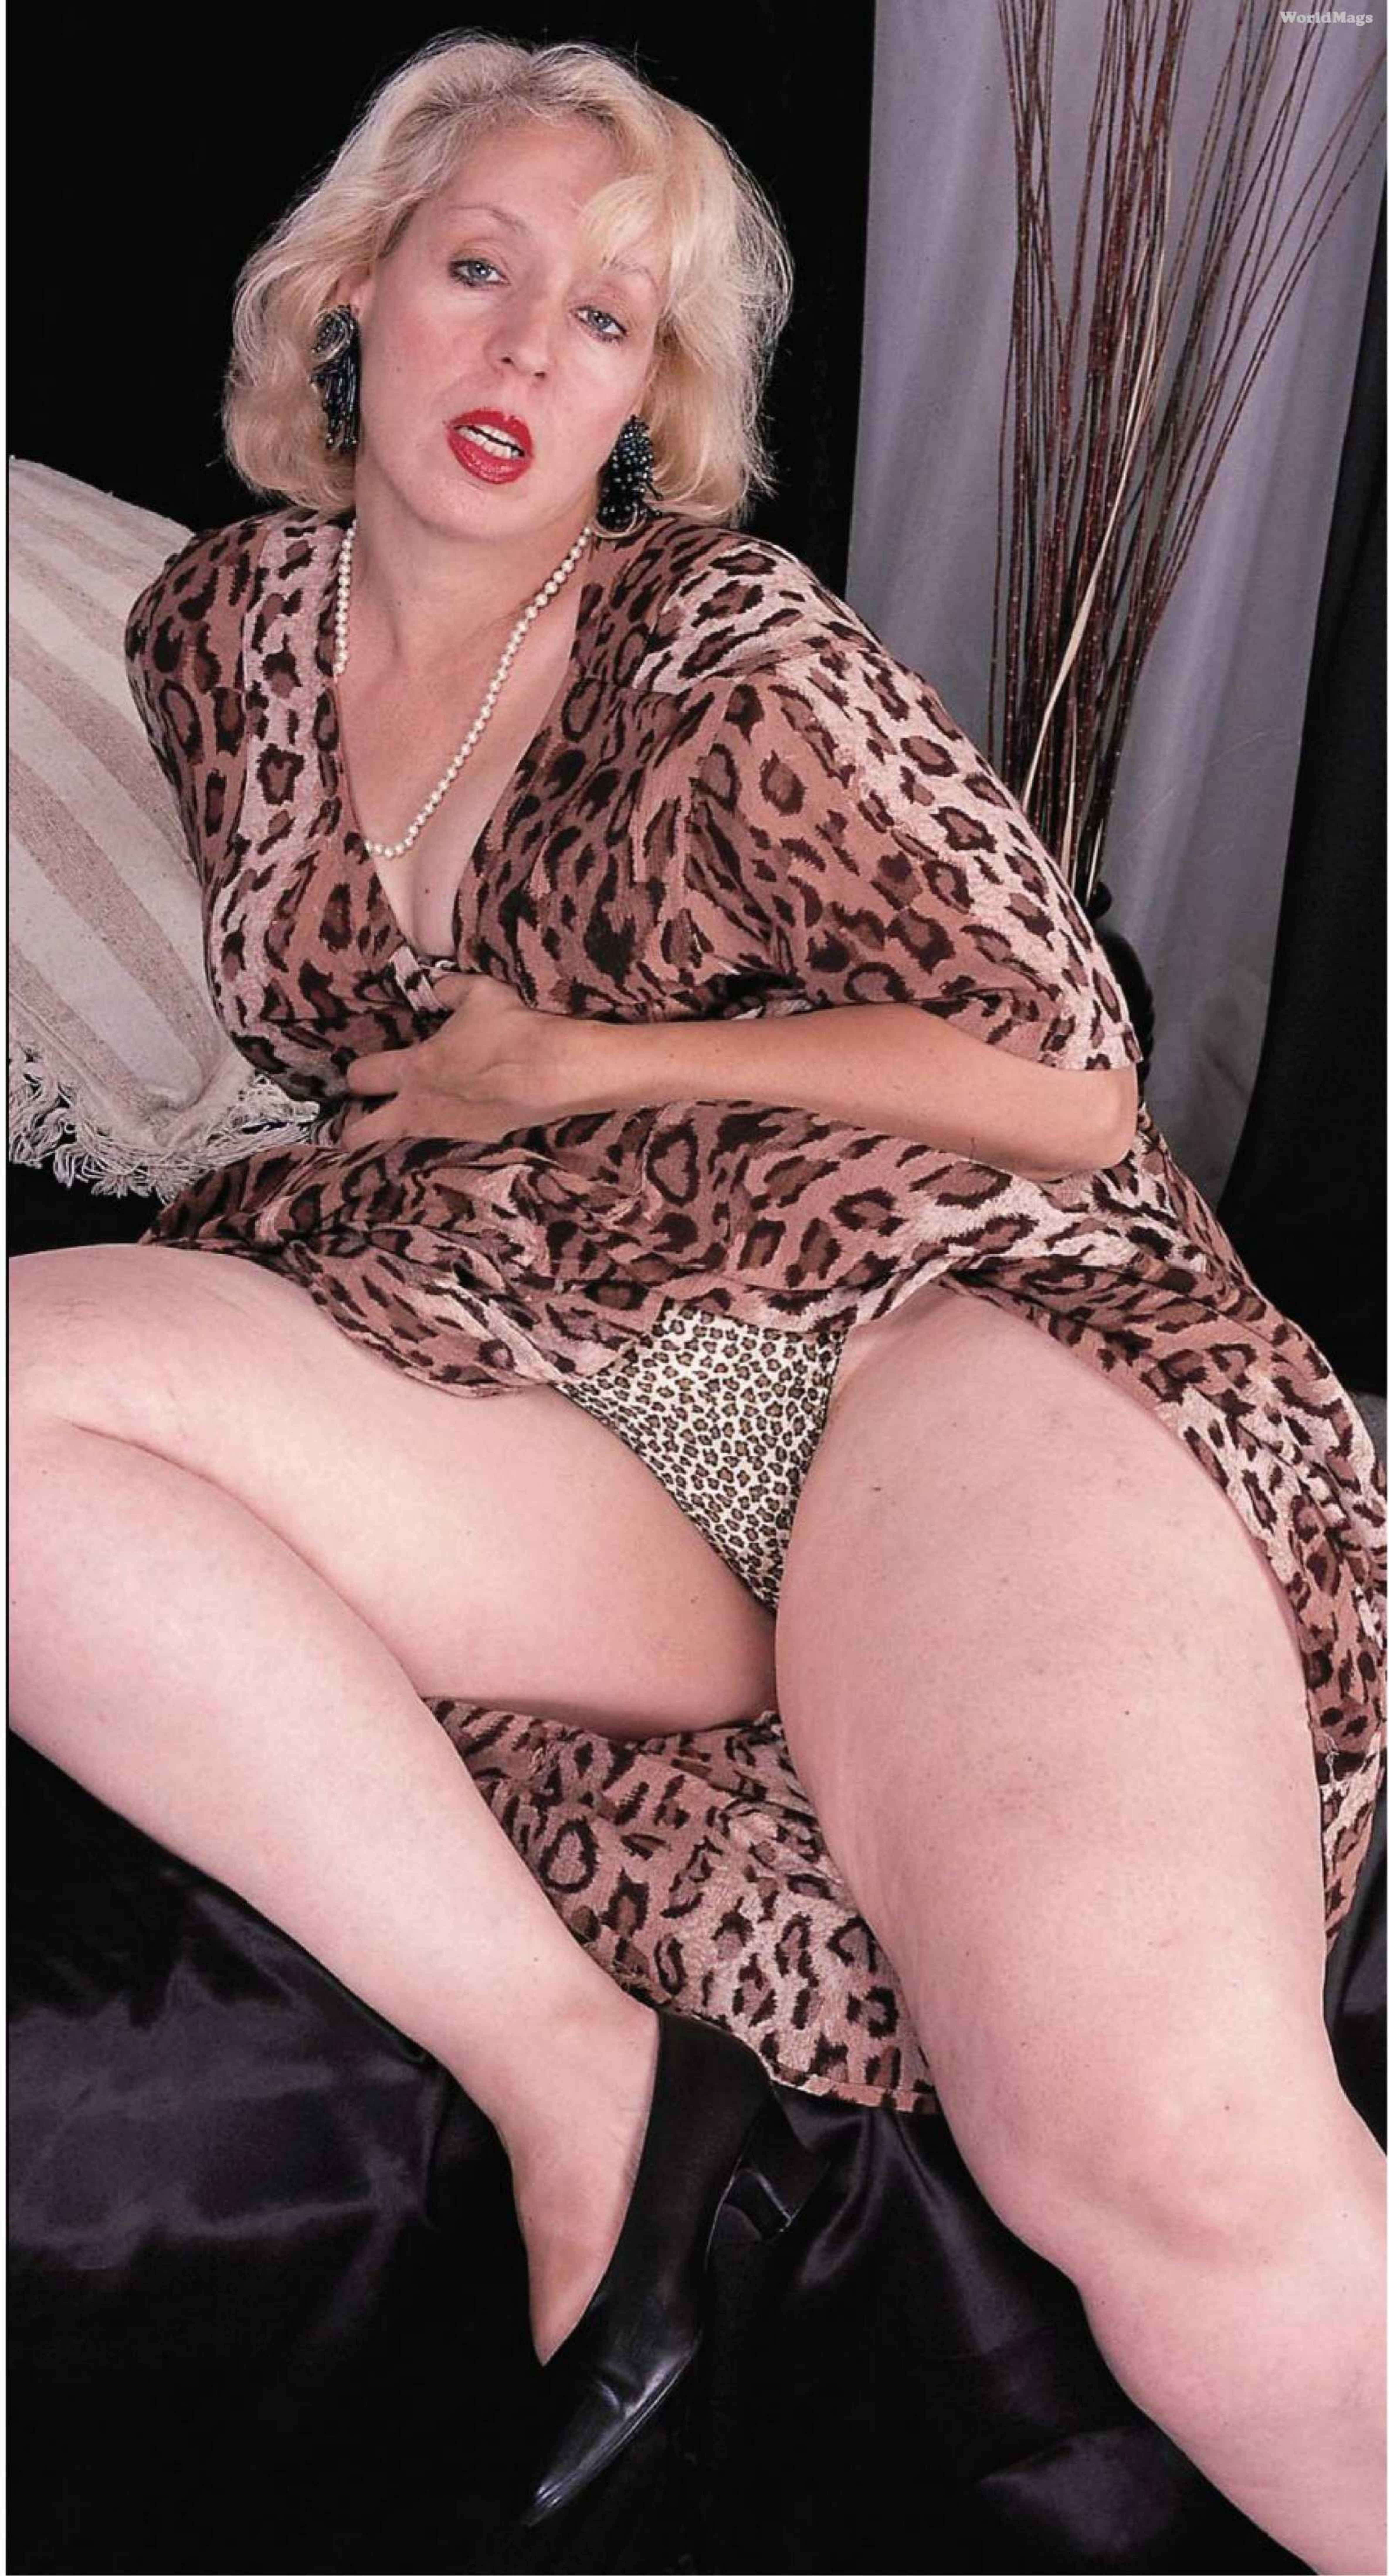

**S:** Yes, I was.

**O40:** Do you enjoy giving head? What's your special technique?

**S:** Giving head is a labor of love and lust. My technique is that while I am sucking him, I rub this little spot between his balls and his ass with my finger. It gives him a mega orgasm, usually too much to swallow, so I end up wearing most of it.

**O40:** Suzanne, our readers are going to love you. Is there anything you would like to say to your admirers in closing?

**S:** I'm here for you. If I could, I'd fuck all of you. Enjoy me!
